More legal information about intellectual property-related laws and regulations of the Russian Federation can be found on [WIPO Lex](#).

### Online Patent Register and Online Gazette

The Russian Federation has an [Online Register](#) and an [Online Gazette](#).

#### Features and search functionalities

The Online Register has a **Russian interface**.

Through the Online Register you can retrieve information on PCT **National Phase Entry** and **Legal Status**. It is also possible to access the **Full Publications** through the patent register.

Russian patents and utility models can be searched in the patent register by application/registration number, as well as by filing date and IPC index.

The Online Gazette is published three times a month on the 10<sup>th</sup>, 20<sup>th</sup> and 27<sup>th</sup> of each month in Russian. Its coverage is from 2005 to present.

A publication server including patents and utility models is available at this [link](#).

EAPO patents can be searched by using the English search interface of the [EAPATIS system](#) (by logging in as a guest), or using the [Russian search interface](#). For more information about EAPO, consult the [detailed jurisdiction file](#).

Registered users can access more databases.
